### Activity 1: Flower Vase

Cut out the vase below and flowers from the next page. Place some flowers onto the vase and ask children to count them, following with placing the correct number card either on the vase or underneath.

**One**

**Two**

**Three**

**Four**

**Five**

**Six**

**Seven**

**Eight**

**Nine**

**Ten**

**Eleven**

**Twelve**

### Activity 1: Flower Vase

For older kids ages 5-7 you can use the word form of the numbers. I added some extra symbols too for a bit of maths fun!

**=**

**X**

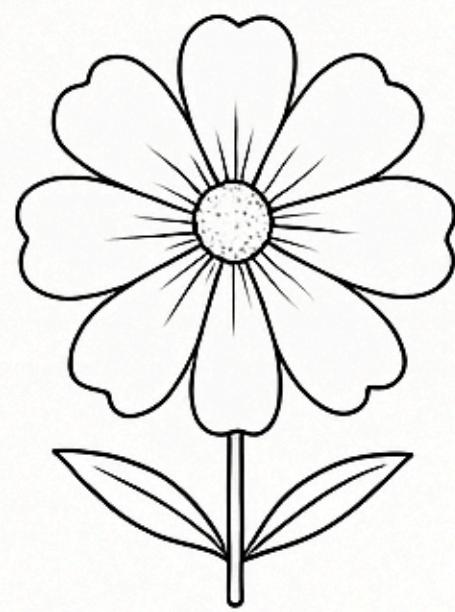

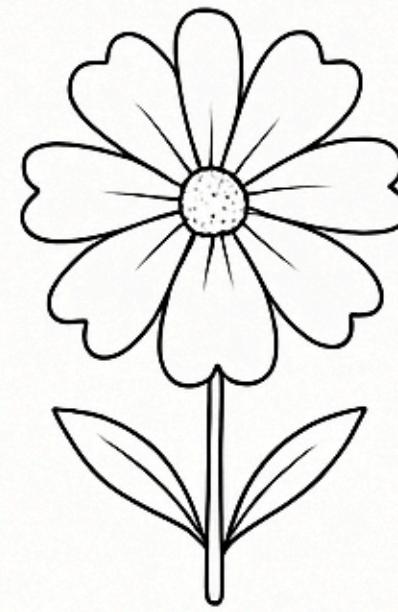

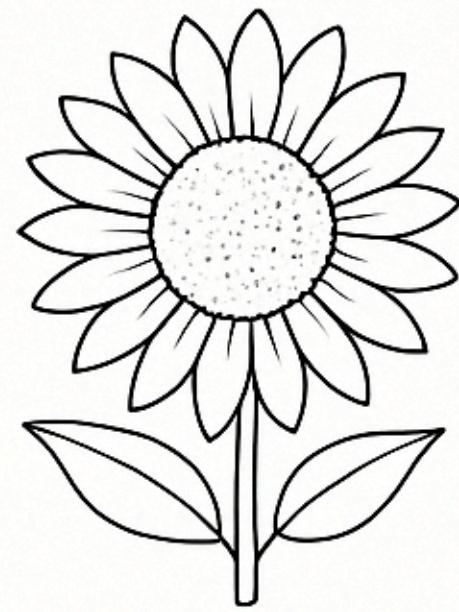

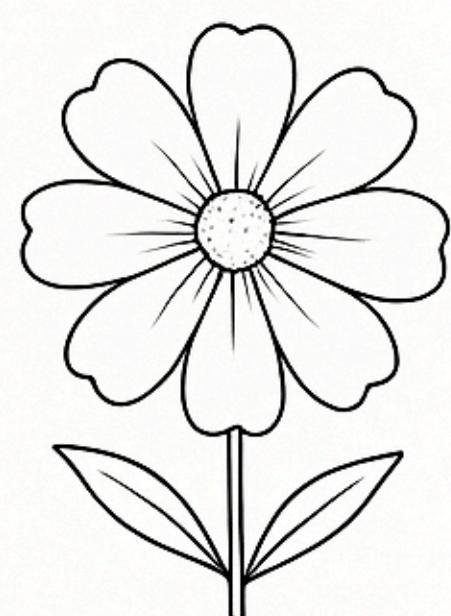

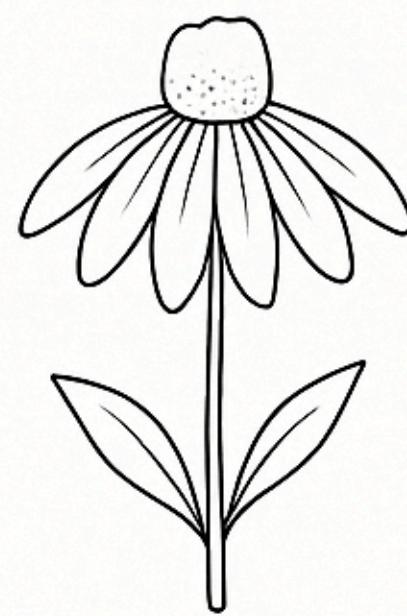

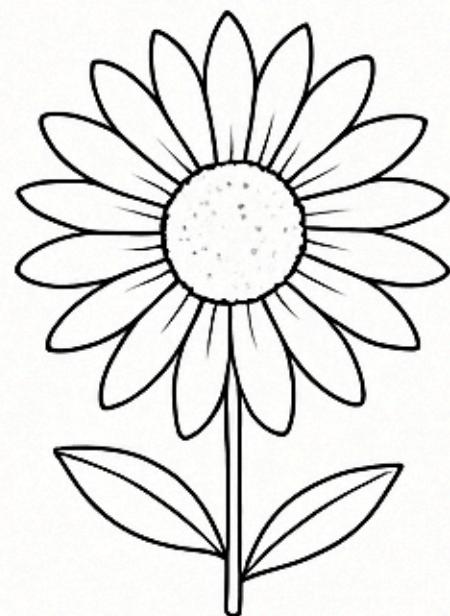

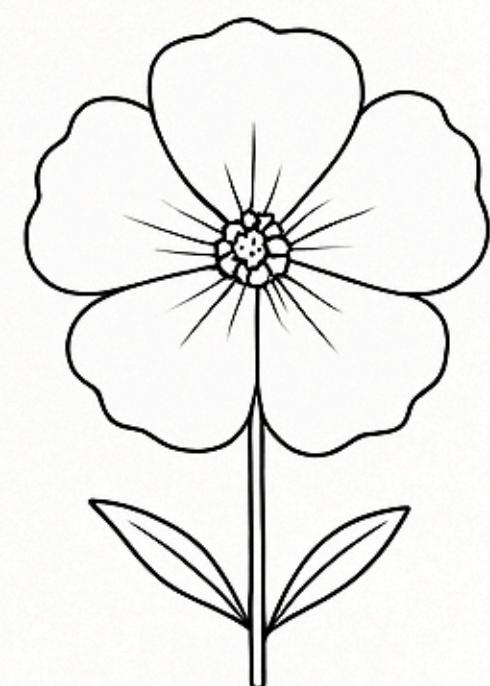

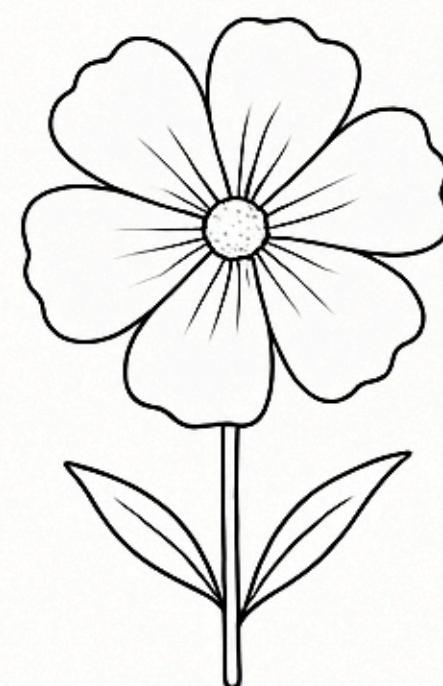

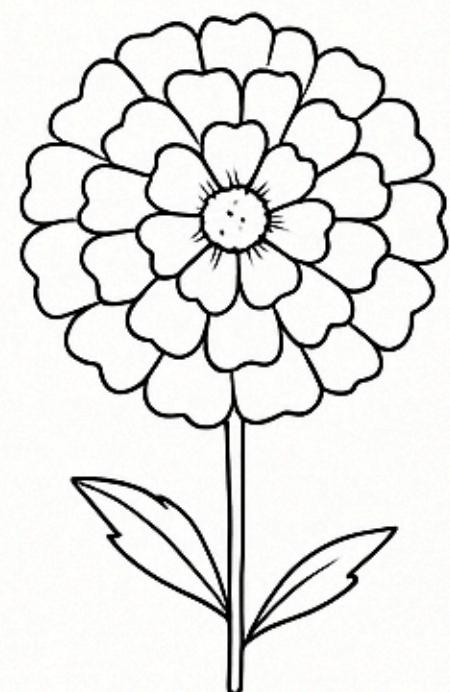

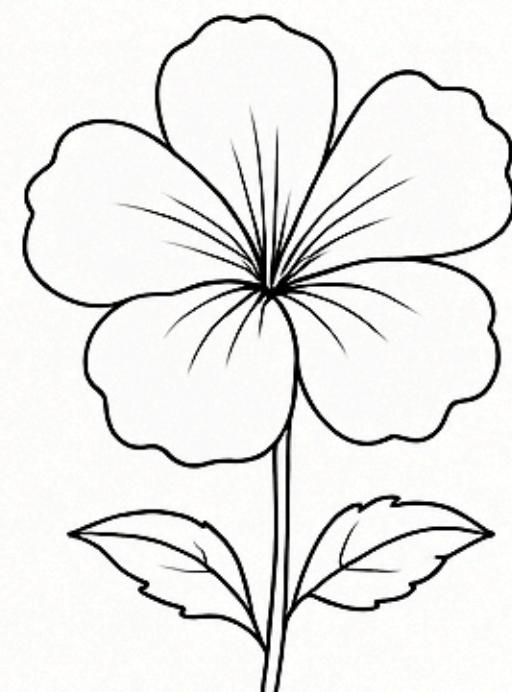

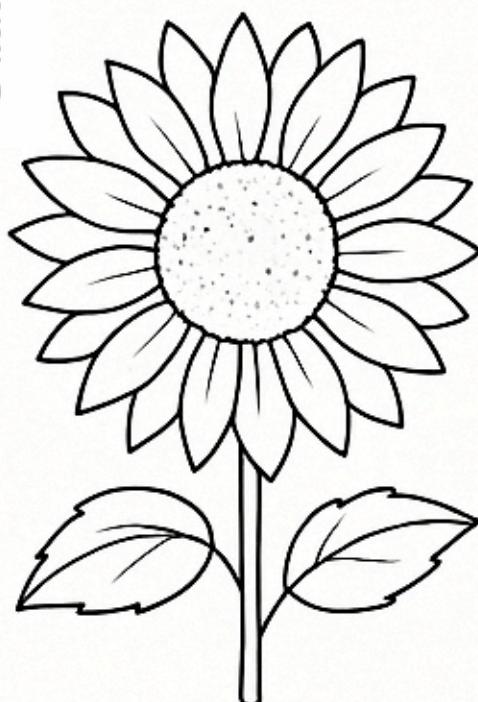

**-**

**+**

Clever  
Ducklings

TIP: Print this sheet twice if using the plus and minus symbols.
